Our Mission

The Primary Health Network, a Federally Qualified Health Center, provides quality primary care services and access to specialty care commensurate with the needs of the people in the communities we serve.

Our Vision

Primary Health Network is first in offering quality care and caring to patients in communities. Primary Health Network is a leader among health centers through its commitment to developing innovative programs, new technologies and excellent facilities.

Services are offered regardless of age, race, creed, sex, national origin or ability to pay.

About PHN

The Primary Health Network (PHN), is a private, non-profit organization, that has worked with local communities to develop and implement a new model of healthcare: the community health center.

Since our inception in 1984, PHN has grown to include 32 service facilities throughout Beaver, Blair, Butler, Cambria, Clarion, Crawford, Indiana, Jefferson, Lawrence, Mercer, and Mifflin Counties in Pennsylvania and Ashtabula County in Ohio.

For your convenience, we gladly process Medical Assistance, Medicare and most insurances. Sliding fee billing is based on income and is available to those who qualify, regardless of insurance status.
